

# **DON'T DRILL! COME TO CAPITOL HILL**

*West Lawn of the U.S. Capitol*

**Tuesday, Sept. 20,  
2005**

11 AM to 1 PM

**Congress is about to vote on whether to open America's  
Arctic National Wildlife Refuge to oil drilling.**

**Some places should be off-limits to oil drilling...and the  
Arctic Refuge is one of them.**

**Tell Congress to protect the Arctic Refuge - for wildlife, for  
the Gwich'in natives, for our children!**

**Together we CAN save the Arctic Refuge!**

**Sign up to get on a bus to Washington from your area.
